

Dear Parent/Carer

We are delighted to announce that we have partnered with Kirklees 'Schools out' Summer programme of events to offer your child a morning or afternoon session of FREE activities which will be based at Colne Valley High School, Linthwaite.

Kirklees council are offering a selection of online activities (@schoolsoutkirklees) however this is an exciting and unique opportunity that we expect will be booked very quickly.

The sessions last half a day and the groups of 8 children will take part in a cooking activity and a group activity (socially distanced) over the 2.5 hour slot. The sessions will be run by our incredible teaching staff at Colne Valley High School who are the only school in the area to offer this unique experience.

Whilst the sessions are FREE, it is essential to secure your place now and complete the booking form attached.

We will provide a drink and a snack but require a named water bottle to be brought along with a waterproof jacket and suitable footwear for a sporting activity.

We ask that children arrive outside the sports hall at Colne Valley High School, *no later than 5 minutes before* the start of the session on the day for registration.

To secure your place, please complete the details below and return by post or email to bmurray@thecvhs.co.uk. We regret that we will be unable to offer a place if this information is not returned before 24/07/2020.

We really look forward to seeing you and taking part in the activities.

Kind regards

Mrs E Rollins
