

A message from the Head Teacher

There are only six weeks left before we break for the summer holidays and it is looking like it will be a hugely busy time here in school! We have so much coming up this half term, including a Summer Fun Day, Sports Day, transition days to new classes (new schools for Y6!) and more trips out and about.

Some of our Y4 children had an overnight stay in Whitby this week and absolutely loved the experience. Y3 children will have the opportunity to show their interest in attending the Whitby Residential when they are in Year 4 next year very soon—please keep an eye out for more information. Some of our Y6 pupils will be departing for three days in London on Monday and I'm sure they will have a magical time!

Have a lovely weekend—**Mr Quinn**

Moore Class

This week we have been introduced to the idea of journeys and our new story 'We're going on a bear hunt'. We talked about different habitats before setting off on our own journey through the different habitats around the school grounds. We used our five senses to explore what we could see, hear, smell, feel and taste and made observations to document our findings.

We had lots of fun squelching through the mud in our wellies!

Simmonds Class

This week we have been looking at time, we really enjoyed learning about o'clock and made these times using our own clocks!

Seacole Class

Seacole Class have been giving instructions and creating algorithms for the Bee Bot to move around a mat.

The children enjoyed giving instructions to the Bee Bot to play Snakes and Ladders, getting the animals to their right beds and directing the astronaut around space.

Thunberg Class

This week Thunberg have started our new unit in English, focussing on the Journey Tale, 'Perseus and Medusa'. We have also started our latest History topic, focussed on the Stone Age to Bronze Age in British history.

Some of our Y4 pupils also had a great time on our residential trip to Whitby, visiting the Abbey, eating fish and chips and exploring Robin Hood's Bay!

Malala Class

This week in science we have started a new topic about plants. To find out about the different parts of a plant and what they do we dissected lilies and then labelled the name of each part and its function.

Rashford Class

This week, we have started our new Geography topic all about Islands. Over the next few weeks, we will be focusing on the United Kingdom, Australia and Greenland. We have begun our unit with learning all about Greenland. We

have made delightful fact books including information about: the history, geography, economy and the people of Greenland.

Star of the Week

Congratulations to all our pupils this week who have received star of the week!

Moore	Lucan and Huzaifa	Seacole	Riley and Murtaza	Malala	Kieran and Kody
Simmonds	All of Year 1	Thunberg	Scarlett and Ashleigh	Rashford	Holly Ma and Charlie

Dates for the Diary

- **Monday 13th to Wednesday 15th June - Year 6** London Residential visit
- **Tuesday 14th June - Year 1** Skipton Castle visit
- **Monday 4th and Tuesday 5th July - Year 6** - Moor End Academy transition
- **Monday 4th to Wednesday 6th July - Year 6** - Salendine Nook Transition

- **Monday 18th July to Friday 22nd July - Year 6** transition for Colne Valley High school and Royds Hall
- **Tuesday 26th July** - School closes for Summer

Food Hygiene Inspection

Well done to both our Breakfast club and kitchen, who have BOTH scored 5 out of 5 for their standards.

The inspector checks food storage, food preparation, cleanliness and staff training amongst other things.

Well done to all involved.

Sun Safety

With the warm weather approaching may we ask that, when required, you apply 'Once-a-day' sun lotion before school.

School Dinner - Price Increase

From September 2022 the price of a school dinner will increase to £2.40 per day/ £12.00 per week.

Reading Champions	TT Rockstar Winners	
Jiarnni	1st.	Murtaza
