

20th April 2026

Dear Parent or Carer,

From September 2026, new rules say that schools must work with parents and carers when planning RSHE (Relationships, Sex and Health Education). At Woodside Green, we think this is a good idea. You know your child best, and your views matter to us.

We are asking you to fill in a short form to tell us what you think your child should learn this year. You can also tell us about any worries you have or any risks you think your child might face. This will help us make the RSHE lessons better for all children.

Please only fill the form in for one child. If you have more than one child in different year groups and want to give different answers, please click “Submit another response” at the end of the form.

Your ideas will play an important part in shaping our plans, and we really value your input as we work together to build the best curriculum we can.

We have attached documents to make it easier for you to understand the updates but the guidance from the DfE gives greater detail about the primary curriculum. [Relationships Education, Relationships and Sex Education and Health Education guidance](#). If you would like to read more, pages 8-12 and 20-25 provide clear guidance on the expectations on schools.

You can find the link to the form here: [Share MAT Parent Consultation - Help Shape Our RSHE Curriculum – Fill in form](#)

Thank you for your time and support.

Yours sincerely

Andrew Quinn
Headteacher
