

Special Educational Needs and Disabilities (SEND)

Parent/Carer Requests

At Share Multi Academy Trust, we are committed to supporting every pupil so that they can do their best at school. We take many steps to help pupils throughout their learning. Sometimes, some children may need extra support to help them make the best possible progress.

The four broad 'areas of need' are:

- **Communication and interaction**
- **Cognition and learning**
- **Social, emotional and mental health difficulties**
- **Sensory and physical needs**

If you wish to discuss your child's educational needs, in the first instance, please speak with the Class Teacher.

Please see timescales for requests, as follows:

Timescales for SEND parent/carer requests:

Mental Health and Wellbeing Support	Concerns/information shared with school will be triaged using the range of evidence available. Support routes will be explored on a case-by-case basis – within one term (unless urgent).
